Head Chef Luke and his team love what they do. Our food is cooked freshly to order, so let us know if you are in a hurry. We take great pride in sourcing close to home but venturing further afield across the country to utilise produce which is season's best. Some of our dishes can be made with no added gluten, please ask a member of our team who will be able to advise you.

If you have a food allergy, intolerance or sensitivity, please speak to your server before ordering your meal.

Please be aware our kitchens contain allergens of all kinds so we therefore cannot guarantee that any one dish can be free of all traces of any allergen. Items cooked within our fryers and ovens cannot be separated from allergenic ingredients and cross contamination may occur.
